Mac OS 10.3.9 or higher

*Let's Learn French* offers the most effective and easiest methods to speak and understand a foreign language in a simple and entertaining way on your computer.

Ideal for all students, travellers and business people, *Let's Learn French* includes over 500 words that will have you speaking with confidence in no-time.

Download a lesson to your iPod® or mp3 player and practice on the go!

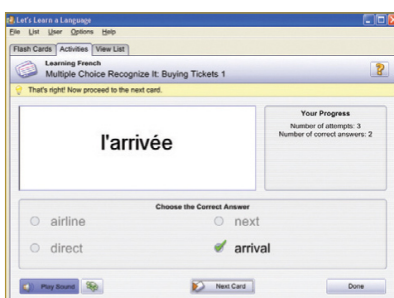

- Record, playback and compare your speech with Advanced Pronunciation Analysis.
- The SlowSound function allows you to control playback and hear every spoken nuance.

- Contains full native speaker sound with conversation practice.
- Dictation, pronunciation and drill 'n' practice, games are included to test and reinforce the lessons taught in the program.

- Monitor your progress on individual words or lists. You can create and customise your own lists and words, and even print out word flash cards.

- Import and Export lists so you can share your lists among other *Let's Learn French* users.
- Multiple User support allows each user to create a unique learning profile.
